LITERAL WORLD!
SATHVEK A.

One day...

Mwahaha!
It is finally complete!

After years of the word being used wrong, 'literally' will finally get justice!

ZOOM OUT!

The next day...

Ahh, every day I literally drink at least ONE cup of...

-JOE!?!?

Dude, Jenny KISSED me!

I'm literally on cloud nine!

This is the BEST part of the movie! I'm literally glued to my seat!

An hour passes...

Ahhh... that was a good movie.

Huh? I'm glued down!

24 hours later...

this is the man with the world's largest wheel chair.
